

Looking to share your love of science with others and
give back to our community?
[The UW Science Explorers needs you!](#)

Who are we?

- A graduate student co-founded and led group that does science outreach at Sanislo Elementary in southwest Seattle. Sanislo is the [most diverse school](#) in the state!
- Each quarter, we lead 6-8 1 hour lessons in small groups (2-4 4th/5th graders). Examples of our past lessons can be found on our [website](#).
- Winter 2024 lessons will be Tuesdays from 3-4 PM and the lesson theme is Materials!
- Grad students, undergrad students, postdocs, and faculty are all welcome to volunteer.
- You do not need a car!

How do I learn more?

- Virtual information session at **3-4 pm on Friday, December 15th**.
 - Link: <https://washington.zoom.us/j/99141241300>
- In-person pizza lunch information session at **12:00 on Monday, January 8th** in Physics/Astronomy B wing room B421 on the 4th floor.
- Can't come to the meeting but interested in participating this quarter or in the future? E-mail us (uwscienceexplorer@gmail.com) to join our list and Slack channel!
