

unitary
HACK

Empower Quantum •

unitaryHACK is a virtual event encouraging people to make contributions to the open source quantum ecosystem.

The event will run **May 29-June 12, 2024**, and hackers have the opportunity to win cash bounties!

Unleash your creativity and code with us! Join our hacking session on **June 11, 2024, from 9 am to 5 pm** at the **Husky Union Building** in room **HUB 145**.
