

How to Join Activator!

Learn More About Nucleate Activator!

Calling all PNW-based academic trainees! Are you a Post-doc/PhD/MBA/MD/ID and interested in building a life science startup? Or do you want to join a biotech team, but don't have a blockbuster idea? Both are great reasons to get involved in the [Nucleate Activator Program!](#)

For more details, join our Leadership team at one of our info sessions, where we can help you understand the program and application process, and answer any questions you may have! RSVP for those info sessions [HERE!](#)

For the Activator Application click [HERE!](#)

ACTIVATOR 2024-2025 CYCLE BEGINS!

HAVE A LIFE-SCIENCE INNOVATION? Apply as an [inventor!](#)

DO NOT HAVE YOUR OWN IDEA? Join a team as a scientific, business, or clinical [contributor!](#)
