

# Mary Gates Endowment for Students

The Mary Gates Endowment for Students expands opportunities for undergraduates by providing Leadership and Research Scholarships. Students are asked to articulate their education goals outside of traditional classroom settings, identify mentors, reflect on their experiences and actively engage in their own learning process. **Scholarships are open to all undergraduate students at all three UW campuses. International students and undocumented students are also eligible to apply!**

## Leadership Scholarship

Foster your leadership development as you pursue a project or activity important to you and your community.

## Research Scholarship

Engage in a research project to discover, articulate, and contribute your talents and ideas with the guidance of a UW-affiliated faculty mentor.

**Students in all disciplines encouraged to apply!**

## Interested in applying?

- Attend an info session to learn about these opportunities.
- Register for our workshops to get application support.
- Still have questions after attending one of our sessions? [Visit our advising page!](#)

Autumn 2025 is the only application cycle for 2025-26. Over 100 Research Scholarships and over 50 Leadership Scholarships will be awarded in this cycle.

Earn up to \$5,000!
