

W

# UW + Amazon Science Hub Research & Networking Mixer

Date: Tuesday, Oct. 21  
Time: 3 – 5:30 p.m.

Where: Oak Hall Denny Room

Join us and spark collaborative conversations as Amazon business groups share insights into their teams and the key research challenges they are working to solve. Following the presentations, enjoy a **networking reception** where Amazonians and UW Researchers can connect, exchange ideas, and lay the foundation for new collaborations.

- Learn about Amazon's cutting-edge research initiatives
- Explore collaboration opportunities with Amazon researchers
- Network with industry experts and fellow researchers
- Build partnerships that can drive innovation forward
- Learn about career opportunities from Amazon Recruiting

## LOOKING FOR YOUR NEXT BIG OPPORTUNITY?

Amazon recruiters will be in attendance and are **especially interested in meeting Master's and Ph.D. students**. Don't miss this chance to discuss potential career paths, internships, and research opportunities with one of the world's leading tech companies.
