

2026 FUSION ENERGY SCIENCES

POSTDOCTORAL RESEARCH PROGRAM

Office of Fusion Energy's Goals

1. Advance the science of **magnetically confined plasmas**
2. Support the development of **fusion engineering** and **technology**
3. Pursue scientific opportunities in **high energy density plasma science**
4. Increase the understanding of **burning plasma** and **low temperature plasma science**

How You Fit In

PROVISIONS & ELIGIBILITY

Participants will receive:

- An annual stipend of \$90,000
- Health Insurance Supplement
- Travel Allowance
- Relocation of \$3,000 (if eligible)

To be eligible for this opportunity, applicants must:

- Be a U.S. Citizen or Lawful Permanent Resident
- Have received a doctoral degree in an appropriate science or engineering discipline within four years of appointment start date
- Be available to conduct research at the hosting facility for up to two years

APPLY NOW

Application and
Recommendation(s) Deadline:
January 15, 2026 @ 5:00 PM ET
