MAKING A RESILIENT NORTHWEST GRID

WILDFIRES

Venue: Alder Hall Commons Auditorium
University of Washington, Seattle

Keynote: Mike Haynes, Assistant GM, Seattle City Light

The 2024 Northwest Energy Systems Symposium brings regionally recognized experts to discuss:

- » Resiliency and Extreme Weather
- » Steps to Decarbonization
- » Next Steps in Organized Electricity Markets
- » DERs and Energy Storage

Registration Fees are: \$200 for IEEE members and \$250 for non-members. Student registration is \$20.

Additional conference information at: <https://www.nwess.org>

Register at: <https://events.vtools.ieee.org/m/385895>

NWESS is sponsored by the electric energy industry of the Pacific Northwest,
UW Department of Electrical and Computer Engineering and the Seattle Section of the IEEE.
