

Seattle IEEE Power and Energy Society

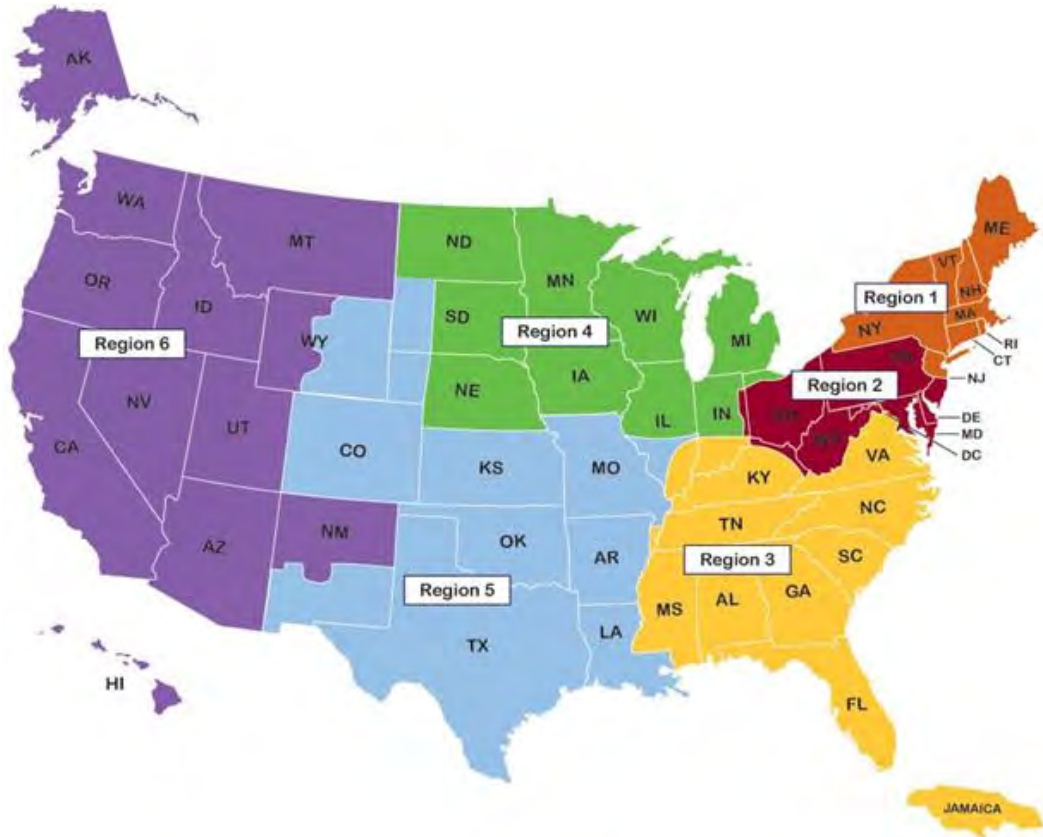

What is IEEE

Advancing Technology for Humanity

- IEEE is the world's largest technical professional organization dedicated to advancing technology for the benefit of humanity.
- 500,000 members Worldwide, (4,000 in Seattle).
- 39 Technical Societies -
- IEEE publishes a third of the world's technical literature in electrical engineering, computing, and electronics.
- IEEE is all volunteer professionals who develop the technologies and standards for many of the products and services we use today.

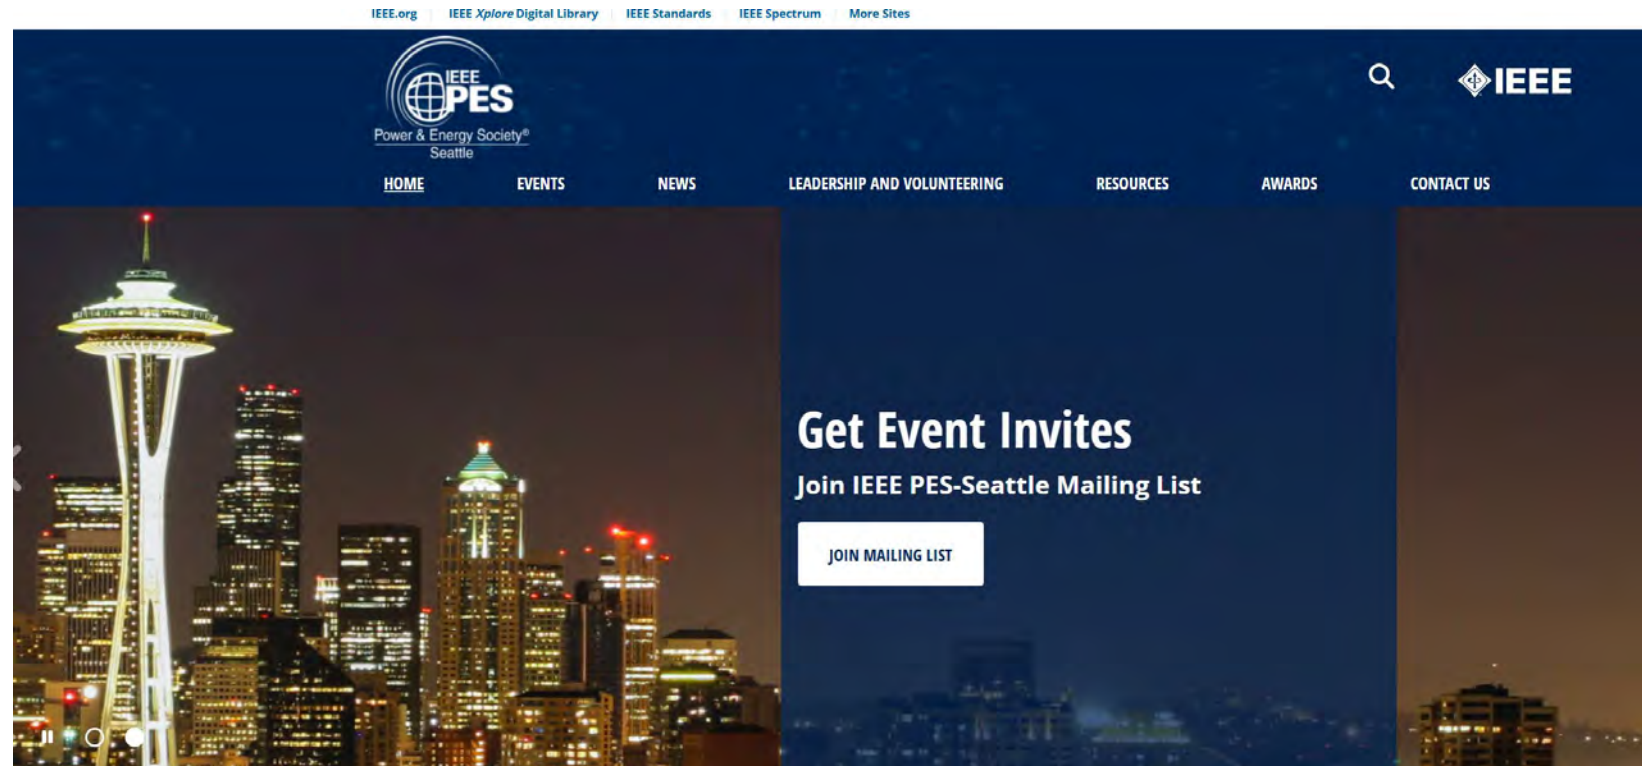

IEEE work encompasses education, professional development, research, and humanitarian outreach.
